

School Closing Information

Our first priority is the safety of our families and staff. Snow, ice, and extremely cold temperatures may affect bus pick-up and drop-off times, sometimes causing buses to run late. The school district has the serious responsibility of deciding whether to close schools. Generally, schools will remain open except for extremely inclement weather. Please always plan for school to be open.

Weather conditions change minute to minute, therefore a decision will be made as soon as possible, and no later than 5:30 a.m., based on road conditions, weather reports, police reports and personal inspections of streets and consultation with surrounding school districts.

When schools are to be closed:

All District 93 families, staff and will be notified through the Infinite Campus (email, text and recorded telephone message).

Information will be posted on the District 93 web site www.hillside93.org
